

**CMIP 2026**  
COMMUNITY WORKSHOP

9-13 MARCH  
KYOTO JAPAN

# CMIP Community Workshop 2026

## Sponsorship benefits

Reflecting inclusivity and sustainability goals, CMIP2026 will be a hybrid workshop. However, we hope to bring as many of the CMIP, and wider WCRP, community to Kyoto as possible. We would appreciate your support to facilitate a great experience for all participants.

Sponsorship can either be provided for a specific purpose, or as a generic donation to the event. Details of the types of support you may wish to provide (plus provisional cost indications) are available on the next page.

€1000 - €3000

€3001 - €5000

€5001 - €10,000

€10,001 - €20,000

## Sponsorship costs

Reflecting inclusivity and sustainability goals, CMIP2026 will be a hybrid workshop. However, we hope to bring as many of the CMIP, and wider WCRP, community to Kyoto as possible. We would appreciate your support to facilitate a great experience for all participants.

We have outlined some example, provisional costs to help you determine how you can support us. The CMIP IPO is happy to discuss any of the options below, or alternative sponsorship options.

### Travel support

Support community members from underrepresented groups to attend CMIP 2026

- ✓ Accomodation
- ✓ Visa costs
- ✓ ~€1100 / per person

### Food and drink

Sponsor lunch and/or coffee breaks to keep our attendees alert for the workshop

- ✓ One lunch ~€3000
- ✓ One coffee break ~€1250

### Conference reception

Facilitate networking and community engagement by supporting our workshop reception

- ✓ Reception drinks ~€5000
- ✓ Reception food ~€10,000
- ✓ Ice-breaker food ~€2200

The CMIP Community Workshop 2026 will bring together a growing, and increasingly diverse, community of Earth system scientists, partners, and stakeholders.
